A TOWYN bar has donated £1,000 to a cancer centre.

Sunny's Bar held an end of season party last month which helped raise £416 for the North Wales Cancer Treatment Centre at Glan Clwyd Hospital.

Owner Shaun Ketley, aged 46, of Kimmel Bay, then topped the fund up to

£1,000.

He said: "The care at the centre is amazing. We are really glad to have been able to have raised money for the centre."

Sunny's Bar remains open throughout the winter and has a number of events planned including a New Year's Eve party.
