Petrolheads map out a way to boost cancer charity

■ Baz Green, vice-chairman of 116 Car Club, presents a cheque for £1,000 to Katy Powell Jones, chairman of the North Wales Cancer Appeal.

MOTOR enthusiasts have raised £1,000 for a North Wales cancer charity.

The 116 Car Club, a group of motor enthusiasts that gets its name from the 116 Ordnance Survey map, presented a cheque to the North Wales Cancer Appeal at the St Asaph Gala for £1,000.

The funds were raised by the club at its recent Targa Rally, an event in its second year based at Glan Y Gors Karting in Cerrigydrudion that now attracts competitors from all over the UK.

The event saw 90 crews in cars covering tests all over North Wales and the 116 Map.

It also presented an opportunity to raise funds for the North Wales Cancer Appeal, the club's nominated charity.

The North Wales Cancer Appeal was born out of the Ron and Margaret Smith Appeal and has recently donated £950,000 towards a new Linac radiotherapy machine currently being commissioned at the North Wales Cancer Treatment Centre at Ysbyty Glan Clwyd.
